

COCKTAILS AND CARNIVAL

Not your kid's carnival | Not your average fundraising event

Saturday, October 15, 2022, 7PM at SPARK!

Cocktails & Carnival – The signature fundraiser for SPARK! is an adult-only evening designed to dazzle and amaze... all to ignite the spark of creativity inherent in all children. Attendees experience an evening glittered in wonder and creativity – from strolling entertainment, carnival games, tempting treats, enticing libations, to a silent auction, and more!

About SPARK!

Dedicated to the mission: to ignite the spark of creativity inherent in all children, SPARK! provides children second grade through high school with a fully immersive creative environment and hands-on academic enrichment programs. Research has proven that children who define themselves as creative have higher self-esteem, better problem-solving skills, and go further in their education. Yet, creative learning opportunities are disappearing from schools. The hands-on programs SPARK! offers educate students in the creative process and promote 21st century skills: creativity, confidence, problem solving, interpersonal skills, critical thinking, collaboration, optimism, and curiosity about the world.
